Literacy	Maths	Understanding The World	Expressive Arts & Design	Communication & Language	Physical Development
Listen to the story 'How to Grow a Dinosaur' read by Mrs Coleman.	Power Maths ~ Next Lesson Education City	In the story, Albie finds some dinosaurs in the Jungle. Which animals might you normally find in the jungle?	Can you draw or paint a picture of a dinosaur?	What was your favourite part of the story this week? Tell your grown up.	How do you think a dinosaur may have moved? Show your grown up. What noises might they have made?
Look at the picture of the dinosaur. Write a sentence to describe what it looks like.	Power Maths ~ Next Lesson Education City	What do seeds need to grow? Write a list of things seeds need to grow into plants.	Design your own packet of magic seeds. Remember to show a picture of what will grow and write down the name on the packet.	If you could plant some magic seeds, what would you like them to grow into?	Can you copy the dinosaur stomp? <a href="https://www.youtube.com/watch?v=AM3VomijOw8">https://www.youtube.com/watch?v=AM3VomijOw8</a>
Write down how would feel if you met a T-Rex. You might feel -scared -happy -excited -worried	Power Maths ~ Next Lesson Education City	Draw a picture of a dinosaur and label the parts of its body.	At the end of the story Albie's mum plants some alien seeds. Draw a picture of what the aliens might look like!	What would you do if you found a dinosaur outside your window?	Practise your handwriting. Can you write the people in your family's names?
Choose your favourite dinosaur. Can you write 5 facts about your dinosaur? For example: A T-Rex had sharp teeth.	Power Maths ~ Next Lesson Education City	Research your favourite dinosaur for your fact file and write down your 5 facts.	Create the dinosaur you have chosen for your fact file. You could draw it, paint it, model it, or something else. Be as creative as you can!	Can you act out the story with your toys?	Follow the instructions to make dinosaur bones.  <a href="https://www.activityvillage.co.uk/dinosaur-bones">https://www.activityvillage.co.uk/dinosaur-bones</a>
Have you been practising your tricky words?  Sing the tricky words song.  <a href="https://www.youtube.com/watch?v=R087IYrRpgY">https://www.youtube.com/watch?v=R087IYrRpgY</a>	Power Maths ~ Next Lesson Education City	When Albie planted the seeds, what do you think he expected to grow? Where do you think your food comes from? Can you find out where spaghetti, eggs and carrots come from?	Create a dinosaur land using your toys.  You could use: Lego Paper/cardboard Play dough	<a href="https://www.youtube.com/watch?v=TjmGTbNLj6Q">https://www.youtube.com/watch?v=TjmGTbNLj6Q</a>  Sing along to '10 little dinosaurs'.	Have a go at writing the sentence 'The dinosaur stomped on the long grass'. Your grown up can read out one word at a time for you to copy down.
